The online ordering platform is simple and easy to use. Size charts for each of the garment are accessible and have been simplified. Take note that there are junior and adult sizes in the choices. We offer you 2 options for delivery: Delivery to your home or work for 13\$ fee **or** free at the school **August 17th from 10am to 6pm.** Payments can be made by credit card only.

We ask for your cooperation in ordering online between May 1st and June 15th in order to speed up the production and delivery process. We want to make sure to be able to fulfill every order of school uniform before the start of the fall 2021 school year.

By ordering your uniforms before June 15th, you allow our team to better plan the delivery period and thus offer you an optimal experience.
